

## Electric Bikes: Educational Workshop and Test Rides: Sept 17.

**Join Waikato Environment Centre, MeloYelo and electric bike expert Alex Kendon for a free workshop on September 17:**

- Learn about the benefits of electric bikes
- The pros and cons of buying a new electric bike versus converting your existing bike
- Evaluate whether your bike is suitable for converting to electric
- What the conversion process involves and what tools you need
- Doing your own conversion, versus getting expert help
- New electric bikes: An overview
- Q&A
- Test rides

**What:** An educational workshop with opportunities for test rides

**Where:** Waikato Environment Centre, 242 Peachgrove Road, Hamilton

**When:** Sept 17, 11:00 – 1:00pm

**RSVP:** By Sept 15
