Melo YELO E-BIKES

Bootee

Fold, stow & go with 20” wheels.

ALL THE GREAT FEATURES OF OUR FULL SIZE BIKES

Unlike other 20” folding ebikes, the Bootee does not compromise on features or performance. It’s got the same 350 watt motor (limited to 300W) as our larger bikes, Suntour XCT shocks, Shimano 8 speed derailleur, Tektro disk brakes with 180mm rotors, and a thumb throttle that delivers full power on demand, regardless of what pedal assist level you are in. The low, wide step-through frame makes the Bootee suitable for shorter riders, older riders who want to feel more connected to the ground, and those with mobility challenges. Perfect for campers and boaties too.

- Engineered by older kiwis, for older kiwis;
- Nationwide sales & service network;
- Spare parts available in NZ;
- 2 year warranty on the electrics, plus 6 years on the frame and 1 year on other parts;
- Value for money. We aim to deliver the best performing and most reliable ebikes in the sub-$4000 price range;
