Ascent MD

Step through mountain bike

GO ANYWHERE. WITH EXCELLENT HILL CLIMBING
TORQUE AND POWER.

Consumer Reports NZ praised the motor on this bike for excellent hill climbing torque and power, smooth gear changes, and responsiveness when you start and stop pedalling. Plus, we've added a gear sensor which protects your drivetrain from excessive power when you're shifting gears. Massive, 630 watt-hour battery with Samsung cells. Tektro hydraulic brakes. Maxxis Ikon tyres. Trail style mudguards plus carrier & lights are standard. We've also sized this bike on both 26" and 27.5" wheels so that the vast majority of riders will find a comfortable size option. Colour options are greenstone, or grey-blue.

- Engineered by older kiwis, for older kiwis;
- Nationwide sales & service network;
- Spare parts available in NZ;
- 2 year warranty on the electrics, plus 6 years on the frame and 1 year on other parts;
- Value for money. We aim to deliver the best performing and most reliable ebikes in the sub-\$4500 price range;
- MeloYelo was founded to help support the EVelocity electric vehicle programme in schools. So, when you buy from MeloYelo, you Go Well AND Do Good.
