Traverse MD

High torque mountain bike

GO ANYWHERE. WITH EXCELLENT HILL CLIMBING
TORQUE AND POWER.

Consumer Reports NZ praised the motor on this bike for excellent hill climbing torque and power, smooth gear changes, and responsiveness when you start and stop pedalling. And, we've added a gear sensor which protects your drivetrain from excessive power while shifting gears. Massive, 630 watt-hour battery with Samsung cells. Tektro hydraulic brakes. Maxxis puncture resistant tyres. Trail style mudguards plus carrier & lights are standard. Plus you have the option of a Suntour NCX suspension seat post that gives the Traverse MD a full suspension feel, without the full suspension price.

- Engineered by kiwis, for kiwis;
- Nationwide sales & service network;
- Spare parts available in NZ;
- 2 year warranty on the electrics, plus 6 years on the frame and 1 year on other parts;
- Value for money. We aim to deliver the best performing and most reliable ebikes available;
- MeloYelo was founded to help support the EVelocity electric vehicle programme in schools. So, when you buy from MeloYelo, you Go Well AND Do Good.
