Comments

Only Wattwheels matches the 720Wh capacity of the Ascent3 battery, and the Wattwheels bike is \$500 more expensive

Only MeloYelo offers the e-bike specific Shimano Cues drivetrain system, for easier shifting and improved durability

MeloYelo's air fork offers a smoother, more comfortable ride and greater adjustment options

MeloYelo's 3-year warranty is unmatched

At \$4595 with a 3-year warranty, large battery and top componentry, the value of the Ascent3 cannot be beat.
